# Erin ♡ Bailey

*Two hot blondes ready for some hot summer luvin'*

*We love the taste of each other's pussies. It's sweet, strong, wet and wonderfully erotic*

*This is our kind of beach ballin'*
*Hot damn!!!*

Our husbands are away on business and we have an afternoon to kill.
What would you like us to do?

# When the Cat's Away

**I'm Rada, and an hour ago Harry left and I was bored. I called my best girlfriend Zlata, and she told me Spence was gone, too. I told her to put on her best lingerie and come over to party with me. Before I could hang up the phone, she was over here and kissing me up. We had the day all to ourselves and wasted no time in getting it on. Her body is soft and her boobs and nipples are beautiful. I'm so jealous of Spence because he gets to play with these all the time. But today she's mine and we're going to make the most of it.**

# kapri & hypnotiq

This Is What Happens When Friends Become Lovers

“We just met a few months ago and really hit it off.” says long and lean Kapri Styles. “She’s a really nice girl and I just love her.” says sexy and sassy Hypnotiq. When we asked them to do a photo shoot together, they jumped at the chance. When they came to the studio, they were giddy but got down to it when the cameras started rolling.

When they got on set, they got into it right away. Kissing and foldling each other's breasts, licking and kissing all over the other's body. It was hard to get them to stop when the photographer yelled cut. As the session progressed, we found that they also liked each other's butts.

After some preliminary licking of the sphincter, Hypnotiq enters Kapri's butt hole with her finger.

Kapri obliges with an index of her own after a long slow slathering of gel to prime the hole.

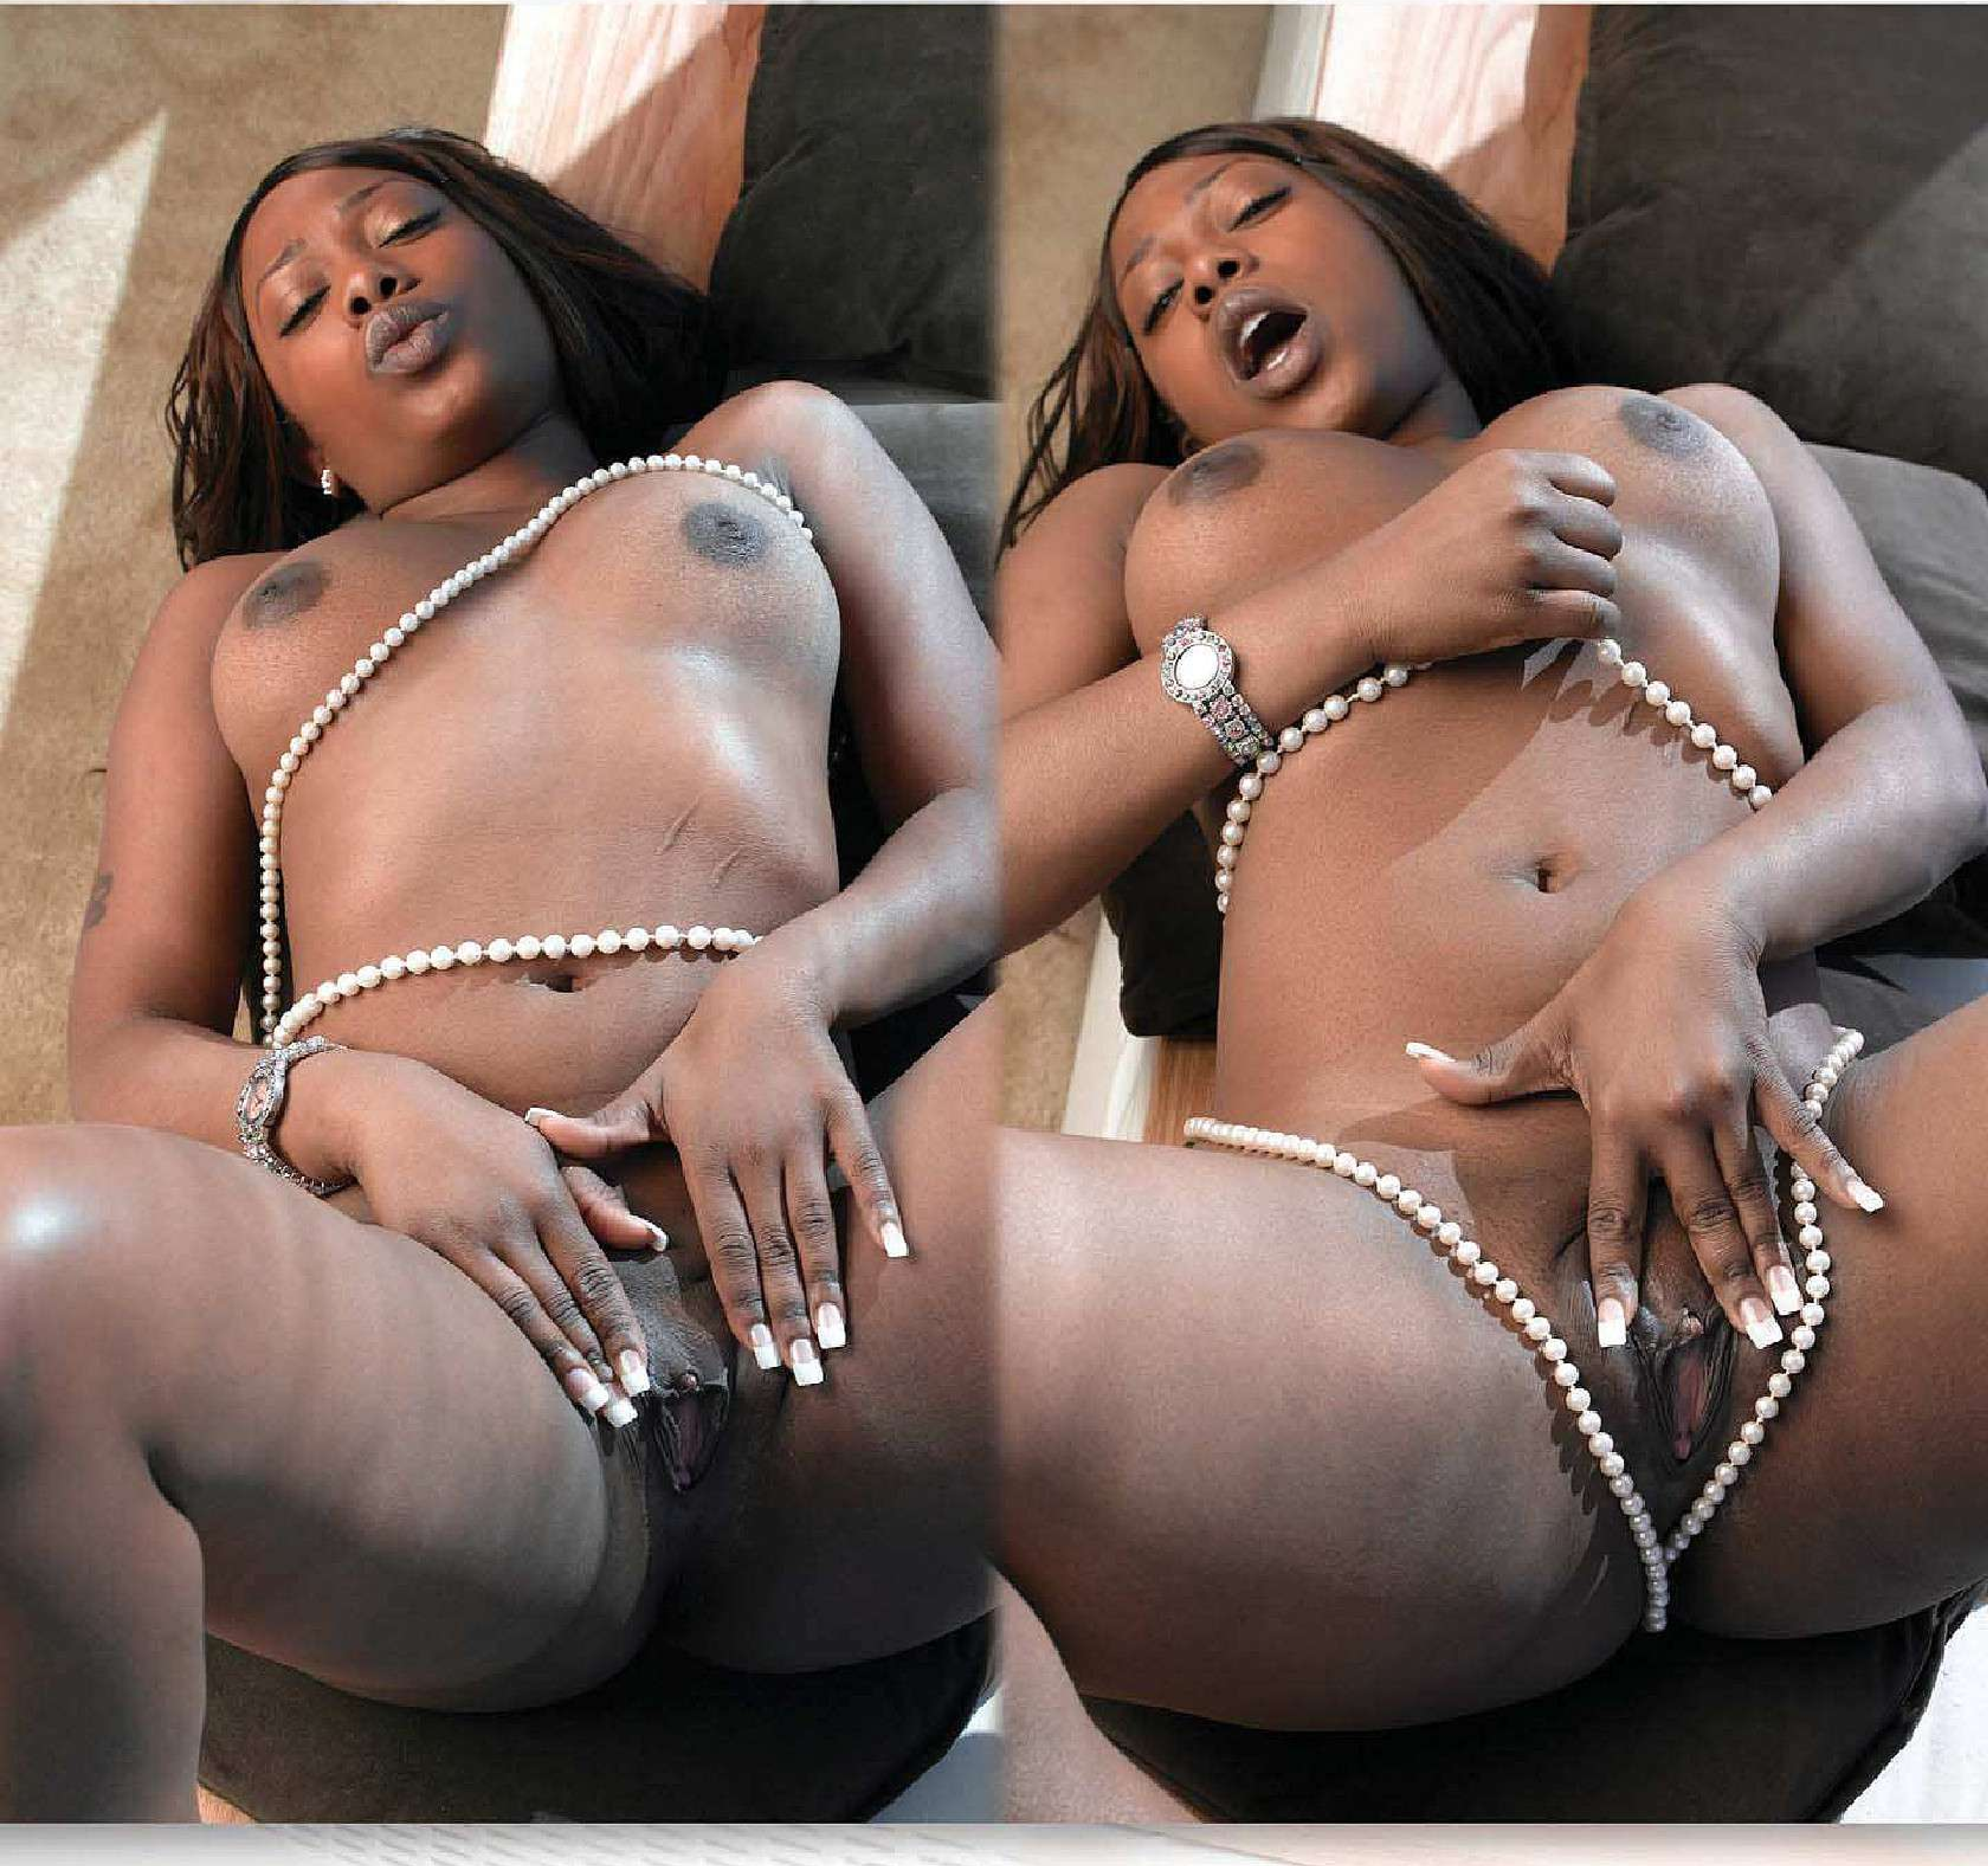
# ashley licks

Twenty-six year old Ashley hails from New York and like most from there she has an attitude.

## An attitude about sex.

“I want my guys to do what I want them to do. When I want to cum, dammit, I’m going to cum.

"And when I want them to cum, they will cum because I know what to do.
If for some reason they don't, they get torn out of my little black book. I don't
care if they have a big cock, give me great head, can fuck all night, or can
fuck me standing on their head, if they don't cum when I say, they're history."



“You could say that makes me a bitch, I don’t care.
I’ve got pussy and that means guys will do what I want because of it.
All chicks have pussy, but mine comes with an attitude.
All chicks have a mouth, but I know when and how to use mine.
All chicks have an ass but I know what to do with it.

# You have something to say to us?

*We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!*

## ROXY RULES!

Where in God's earth did you find Roxy? She is the cutest thing ever. What a great butt on that babe, and she's got the cutest smile that is just the biggest turn on. I think I fell instantly in love with her the moment I saw her on the cover. the inside photos were just right. it's nice to see a cute girl like her not shoving dildos in her pussy. She showed me just enough to want more. Are we going to get more of Roxy? And when?

*– Sammy, Cleveland*

*Hey Sammy, we show 'em as we get 'em. But seriously, Roxy is a real cutie. She was just as much fun to work with as the photos show. We are in the process of getting another pictorial on her, but you'll have to wait until 2010 as we all will.* *– Ed*

## ROXY REDUX

I think I went to school with Roxy Reynolds. I remember that cute toothy smile but her butt didn't seem that big and nice back then. How can I find out if she was my classmate? My bro says it ain't her, but I think it is. She was about 5' 7" and had small boobs and a short hairdo. But she could have grown into her chest and let her hair go. I'm looking at the yearbook now as I write you and I'm conviced it's her.

*– Wesley, Brooklyn*

*Wesley, you know we can't tell you where she went to school, dude. What we can tell you is that she graduated at the top of her class, went on to a prestigious Eastern university, was given a Rhodes scholarship, modeled in Paris and Milan and plans to run for President in 2020. Hope that helps.* *– Ed*

## ON TOP OF ESCALADE

Since you want to hear from guys like me, let me tell you what I did, man. I got this big black Escalade with some smashin rims on the outside and a smashin sound system on the inside, I dropped another 10G just for the sounds. Why? Because this is the type of shit that gets me the honeyz. All I have to do is cruise and they jump on in and cut loose.

So I'm leavin the club past midnite with these two smokin babes I just picked up. We be cruisin down Wilshire with the moonroof open and one chick sittin up on the roof with her legs danglin down. The other shortie starts to eat her out. I'm drivin tryin to keep in the lane as the two crazies are goin at it. The one on top leans back and lays down sayin how cool the streetlights look while the other is stickin fingers in that sweet cootchie. The shortie in the car is dropping her panties as she licks the other one and takes my right hand and puts it on her ass. As I squeeze her cheeks I almost drive into a parked car. Not wanting to fuck up my ride, I pull over around Wiltern and park it. The girls were so into it they didn't even know I stopped.

SCRUMPTIOUS ROXY REYNOLDS HAS QUICKLY BECUM A FAN FAVE. YOU CAN SEE WHY!!!

Now I can squeeze the bitch's ass without crashin. I move the seat back so I got room to maneuver and take both those cheeks in my hands. I squeeze em and she opens her legs up some more, still lickin the bitch on the roof. I push the inside chick off the roof bitch and start to lickin her myself. The inside bitch is unzipping me and takes out my huge dick. She starts to lick and gulp it down as I'm doing the roofie. Man she was good. I started fucking her mouth and she was taking every inch of it. Her head was pinned against the back of the seat as I was shoving my dick into it. I tell the chick on the roof to roll over so I can tongue fuck her asshole. She does that and with her legs dangling in the car I spread them and jam my long tongue into her butt crack until I find her butt hole. I'm massaginh her butt as my tongue fucks her hole. I shove my thumb into her soaking cunt and give her a good finger-fuckin while inside girl is licking my balls. She's pulling my cock to get at them and sucks em like a Hoover. By now the roofie is screaming as she cums and I'm about to blow my load. She gaggin on my rod as I'm cummin and tries to pull it out. I hold the back of her head so she swallows cause I'm not gettin the seats messy.

*– Malik, Los Angeles*

**If you have someting to say to us, then go write ahead. You can send those letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publiishing, Inc. and up to our discretion to publish them – or not. Either way, we enjoy reading them all.**

# they call her Mellow

When my lovers find that I don't shave my bush, they love it!

I used to shave but it irritated my pussy. Now I go natural and it's the best feeling.

When my lover pulls on the hair, it heightens my arousal. It's like a delicious pain that drives me wild.

# Aphrro Dietie

*My girlfriend came over the other day and here's what we did. She can really be off the hook!*

The phone rang the other day and it was my girlfriend LaDonna. It was a sunny day and I was outside in the yard. LaDonna said she wanted to come over and I said sure. LaDonna and I are like sisters. We've known each other for more than twenty years; having gone through grade school and high school together. We dated some of the same boys and even fucked some of the same girls.

After about an hour she made it over and came out to the backyard – naked! I shouted that we were outside, but she said the fence was high enough that no one could see her. She was lighter skinned and had a rockin' body with long legs and a big butt. The pants she wore always accentuated it and she liked the attention it gave her. She spread a large towel on the ground next to my chair and laid down on her belly. Her lovely ass was bubbling up as she was taking in the sunshine.

About fifteen minutes later she sat up and asked why I was still wearing my swimsuit. Without a moment's hesitation, she got up over me and used her mouth to grab my thong and began to pull it down. She got it down to my knees and came back up with her tongue seeking my clit as I opened my legs to let her in. This wasn't the first time we got it on. We've been lovin' it up ever since we got out of high school and found out each other liked girls. We don't do it that often, but when we do, it's great.

LaDonna sure knows how to suck my pussy, I'll give her that. She ran her tongue all over my pussy mound, finding the slit every now and then and slipping her tongue down to tease my clit. I reached down and pulled my thong completely off and opened my legs wider for her. She opened my pussy lips and dove right into my hole with her fingers. The more I squirmed, the harder she fingered me. Her tongue joined her hands and she licked all over my pink silky insides telling me how sweet I smelled and how great I tasted. Within minutes I was done and cumming all over her face.

She took my hands and pulled me down to the towel. She laid on her belly and got up on her knees exposing her beautiful bronze booty to the elements and me. I kneeled down behind her and spread open her cheeks. I could see her pretty little anus and smooth-shaven pussy lips. I started with her tight butt hole, licking all around it until I felt it relax and then I stuck my tongue in and swirled to some more. Apparently she was expecting this because she tasted nice and creamy. I smelled her jasmine lotion and it turned me on some more. I slapped her cheeks as I tongued and fingered her butt hole.

I laid on my back under her pussy and pulled her hips down to my mouth. I opened her pussy lips and began to lick her clit like it was an all day sucker. I grabbed her clit with my lips and gently pulled it and then let go. She squirmed with pleasure and when I wasn't doing enough of it, she forced her pelvis harder down on me as if to say, suck it harder, bitch. I, of course, obliged.

LaDonna turned on her knees and pivoted around so we were sixty-nining. Her face was now buried in my pussy and her hands were cupped underneath my butt searching for my butt hole. She found it and quickly inserted a finger inside. I arched up at the sweet penetration and she went in deeper. I was furiously licking her clit and running my wet fingers up and down her silky crack, pausing every so often to stick one into her ass. Each time she gave out a faint moan and I would stick in another.

By now we were furiously finger-fucking each other. Mouths on clits, fingers in the ass. Each doing their part to bring us to climax together. Being on the bottom I arched up as I came and she pushed down on my face as she came. But this time she came with little surprise for me. She squirted!!! She had never done that before and it was HOT! I was so turned on by it I came again without her even touching me. Just the warm musky girl-jizz streaming down my face. After we finished, I asked her how she did that and she said she would show me. I'll let you know next time if I too learned how to squirt!

**...she pushed down on my face as she came. But this time there was a little surprise for me. She squirted!!! She had never done that before and it was HOT!**

## STATE AFFAIR

Last July I took my family to the state fair in Ohio. We're from small town outside Columbus and we did this every year. Unfortunately, my husband was out of the country for his job, but since this is a yearly affair, I took my three boys and headed out. The boys are all over 18 and they have grown up with it. They showed cattle as part of their 4H experience and now they wanted to come back as visitors. After we got onto the grounds, we separated. They went their way to the games and I went off to the exhibits with the understanding that we would meet for lunch by the turkey leg stall. I watched as they walked away thinking about how they were smaller and how much they always looked forward to this. I worked my way through the maze of people to the stalls selling everything under the sun. As I browsed the goods offered by the vendors looking for some T-shirts for my nieces and nephews. After I found some, I headed over to the animal exhibits, my favorite part of the fair.

I know this area almost as well as I know my own home. I headed for the breeding bulls because our friend Gary was the best bull breeder in the state. His bulls fathered many of our calves that the boys would show at the fair. I went behind the exhibit stall and found Gary with one of his handlers. They were hanging last year's Best of Show ribbon on Simon, their prize bull. Simon was a spectacle. He stood almost 7 feet at the shoulder with big broad shoulders and cold steely eyes. I gently maneuvered around him and said hello to Gary. He smiled back and stepped away from the bull to give me a hug. It has been at least a year since we say each other. He asked where Stan, my husband, was and I told him he was out the country till September. They were business partners many years ago and Gary has always had a crush on me since then. We've kinda flirt when we see each other at the fair every year, but now I'm here without Stan. "How are the boys?" he asks. They're all here, " I tell him. "We're meeting at Tom's turkey legs for lunch in an hour or so. "

The handlers, finish prepping the bull with his ribbons and sashes and lead him out of the holding pen towards the exhibition stalls.. Gary and I watch them leave as I compliment him on his bovine. He tells me that Simon has been very busy, showing all around the country and asks if I want to see some of the articles and photos. We walked the fifty feet to his trailer and step inside. On the walls were hundreds of photos and clippings of his state fair winnings and events. He walks to the middle of the trailer to the small kitchenette and offers me some coffee. I accepted and sat down. He hands me a hot steaming cup and sits across from me pointing out Simon here and Simon there and Simon there.

As we reminisce about the past he begins to flirt with me and without even thinking, flirt right back. He tells me that his wife died two years ago and how Simon is his entire world. I started to feel sorry for him. Her this big strapping man whose only life is a 1,50 pound beast. After a long silence, he says he wants to show me a statue he had made of Simon in the back room of the trailer. We head back to what appears to be his sleeping quarters. The unmade bed takes up most of the floor pace and at the top of the bed area is a small niche where a foot long brass statue of Simon stands in a proud bull poise with flared nostrils and feet stampeding. He crawls across the bed to get it so I can see it better and heads back. We sit on the edge of the bed and look at it. I tell him it's very pice. Nice and powerful and it suits both the bull and him.

We make more small talk sitting there, Simon between us with Gary's hand over the bull's back. He gets melancholy and starts pouring out about his loss and the loneliness of the road. I tell hi that I truly feel for him and touch his hand. He begins to cry softly and I move my hand to under his chin, lifting it and puling his gaze to me. The tears are touching me deeply and I *continued next page...*

# Letters to the editor

*We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!*

lean in to hug him. As we hug, I rub his back and he begins to tighten his grip on me. It's been four months that my husband has been away and another two months before he returns so I too am feeling a sense of loss. Loss of companionship. Loss of intimacy. We pull back from each other and he leans in to kiss me. I'm embarrassed, frightened and excited at the same time. I'm thinking that I have to meet the kids in half an hour and I cannot be doing this. When our lips meet, I lose all sense of what I was just thinking as I return his kiss, My body fills with a warm tingling I used to know. At first the kiss is light and soft, then his tongue flicks over my lips and then he presses his lips hard onto mine probing with his warm moist tongue. My lips part to accept it, but my teeth do not – for very long.

With his right arm he gently pulls me down on my back onto the bed, his arm still under my neck. I feel his hands begin to travel across my body. He rubs my thighs and finds my V on their way up. I instinctively close my legs but his persistence slowly opens them. He is rubbing me over my pants and I now want them off. I want to feel his fingers caressing my clit. I want his fingers to probe my cunt and find it wet. We are still kissing and I am pulling him closer, lost in the moment. His hand begins to unbutton my blouse and I adjust to loosen the fabric. He finds my breasts and pinches the nipples making me moan and flinch. My belt and zipper are next and I let him proceed. I'm now reaching down to his crotch and feel his hardness through his jeans. It is straining to be released so I undo his zipper and reach inside. His cock is like a rock and pushes it's way out. The head is throbbing as I rub my fingers on it.

> ***Gary screams as he cums and shoots his load six feet onto the bed – hitting his Simon statue in the process. We both look at that and begin to laugh.***

Gary stops everything to get up and undo his shirt and pants. He rips his shirt off and drops his jeans to his ankles, gathered around his boots. He is standing at the foot of the bed; his cock pointing straight at me. He reaches down and grabs my legs and swings them onto the bed. My body rotates ninety degrees to be parallel with the edge of the bed and right in front of his cock. I reach up and grab it pulling it into my mouth. I start with the underside and work my tongue up and down the shaft. I reach behind his butt with my hand and pull him closer. He reaches over to my pants and pulls them down to my knees. I wiggle my legs so my pants go below my knees so I can open them. His fingers find my clit and I bite his cock from the tingle he gave me. I'm trying my best to accommodate his cock but it is huge and I can only get the head and a couple inches into my mouth. I grab his cock and push it against his stomach so I can lick his balls. They are musky sweet but I find it is turning me on even more. I coax him into a sixty-nine by pulling his arm down so his body has to follow. He waddles to the side of the bed, gets up on his knees and lowers himself down over me, putting his cock into my mouth and landing his face on my pussy. I gobble him up as he spreads my pussy lips and begins to lick me. I feel his three-day beard on my belly and his soft wet tongue on my clit. I'm dripping wet so he easily slides a finger, then two, into me. I arch up and gag on his big cock. He backs off but I grab his butt cheeks and pull him right back into me. We lick and suck each other, his tongue working my clit and his cock fucking my mouth. I mutter that I'm about to cum and he quickens the pace as I shudder and buck as he drives his cock deep into my mouth. I tell him to get off and fuck me. He gets on his knees, still bound at the ankles as I pull my pants completely off. He stands up on the floor and I swing my legs over the edge of the bed and open them wide, ready for his cock. He grabs my legs and pulls me into it. My pussy screams at the intrusion but he quickly stuffs his cock inside to silence it. I feel it deep in me and it hurts so good, I raise my hips to meet his thrusts and it hurts so good.

Gary pushes my legs together near his face and turns them down so I spin on his cock. I end up face down and he is still fucking me, grabbing my hips and fucking me like a cowboy on a bronco. I feel his rhythm and rock back and forth on his rod until I feel him getting even harder as he's about to cum. I grab his cock and pull it out, pointing it onto the bed. Gary screams as he cums and shoots his load six feet onto the bed – hitting his Simon statue in the process. We both look at that and begin to laugh. He collapses on the bed and I sit up pulling on my clothes. I look back and ask if he feels better. He only smiles. I excuse myself saying I have to meet the boys for lunch and he says okay. On my way across the fairgrounds I think about what has just happened. Was I a tramp? Was I an adulterer? Was I fucked hard enough. Was I wanting to do it again? "Hi mom!" I heard voices from behind. "Hi boys, are you having a good time?" "Yeah mom, it's great. Are you?" "Yes boys. It was great!"

*– Jillian from Reno*

# Personal and Private Services

*Meet hot adult friends – NOW!*

## WOMEN

### MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

### 30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

### LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

## MEN

### YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

### HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

### NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

### NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.

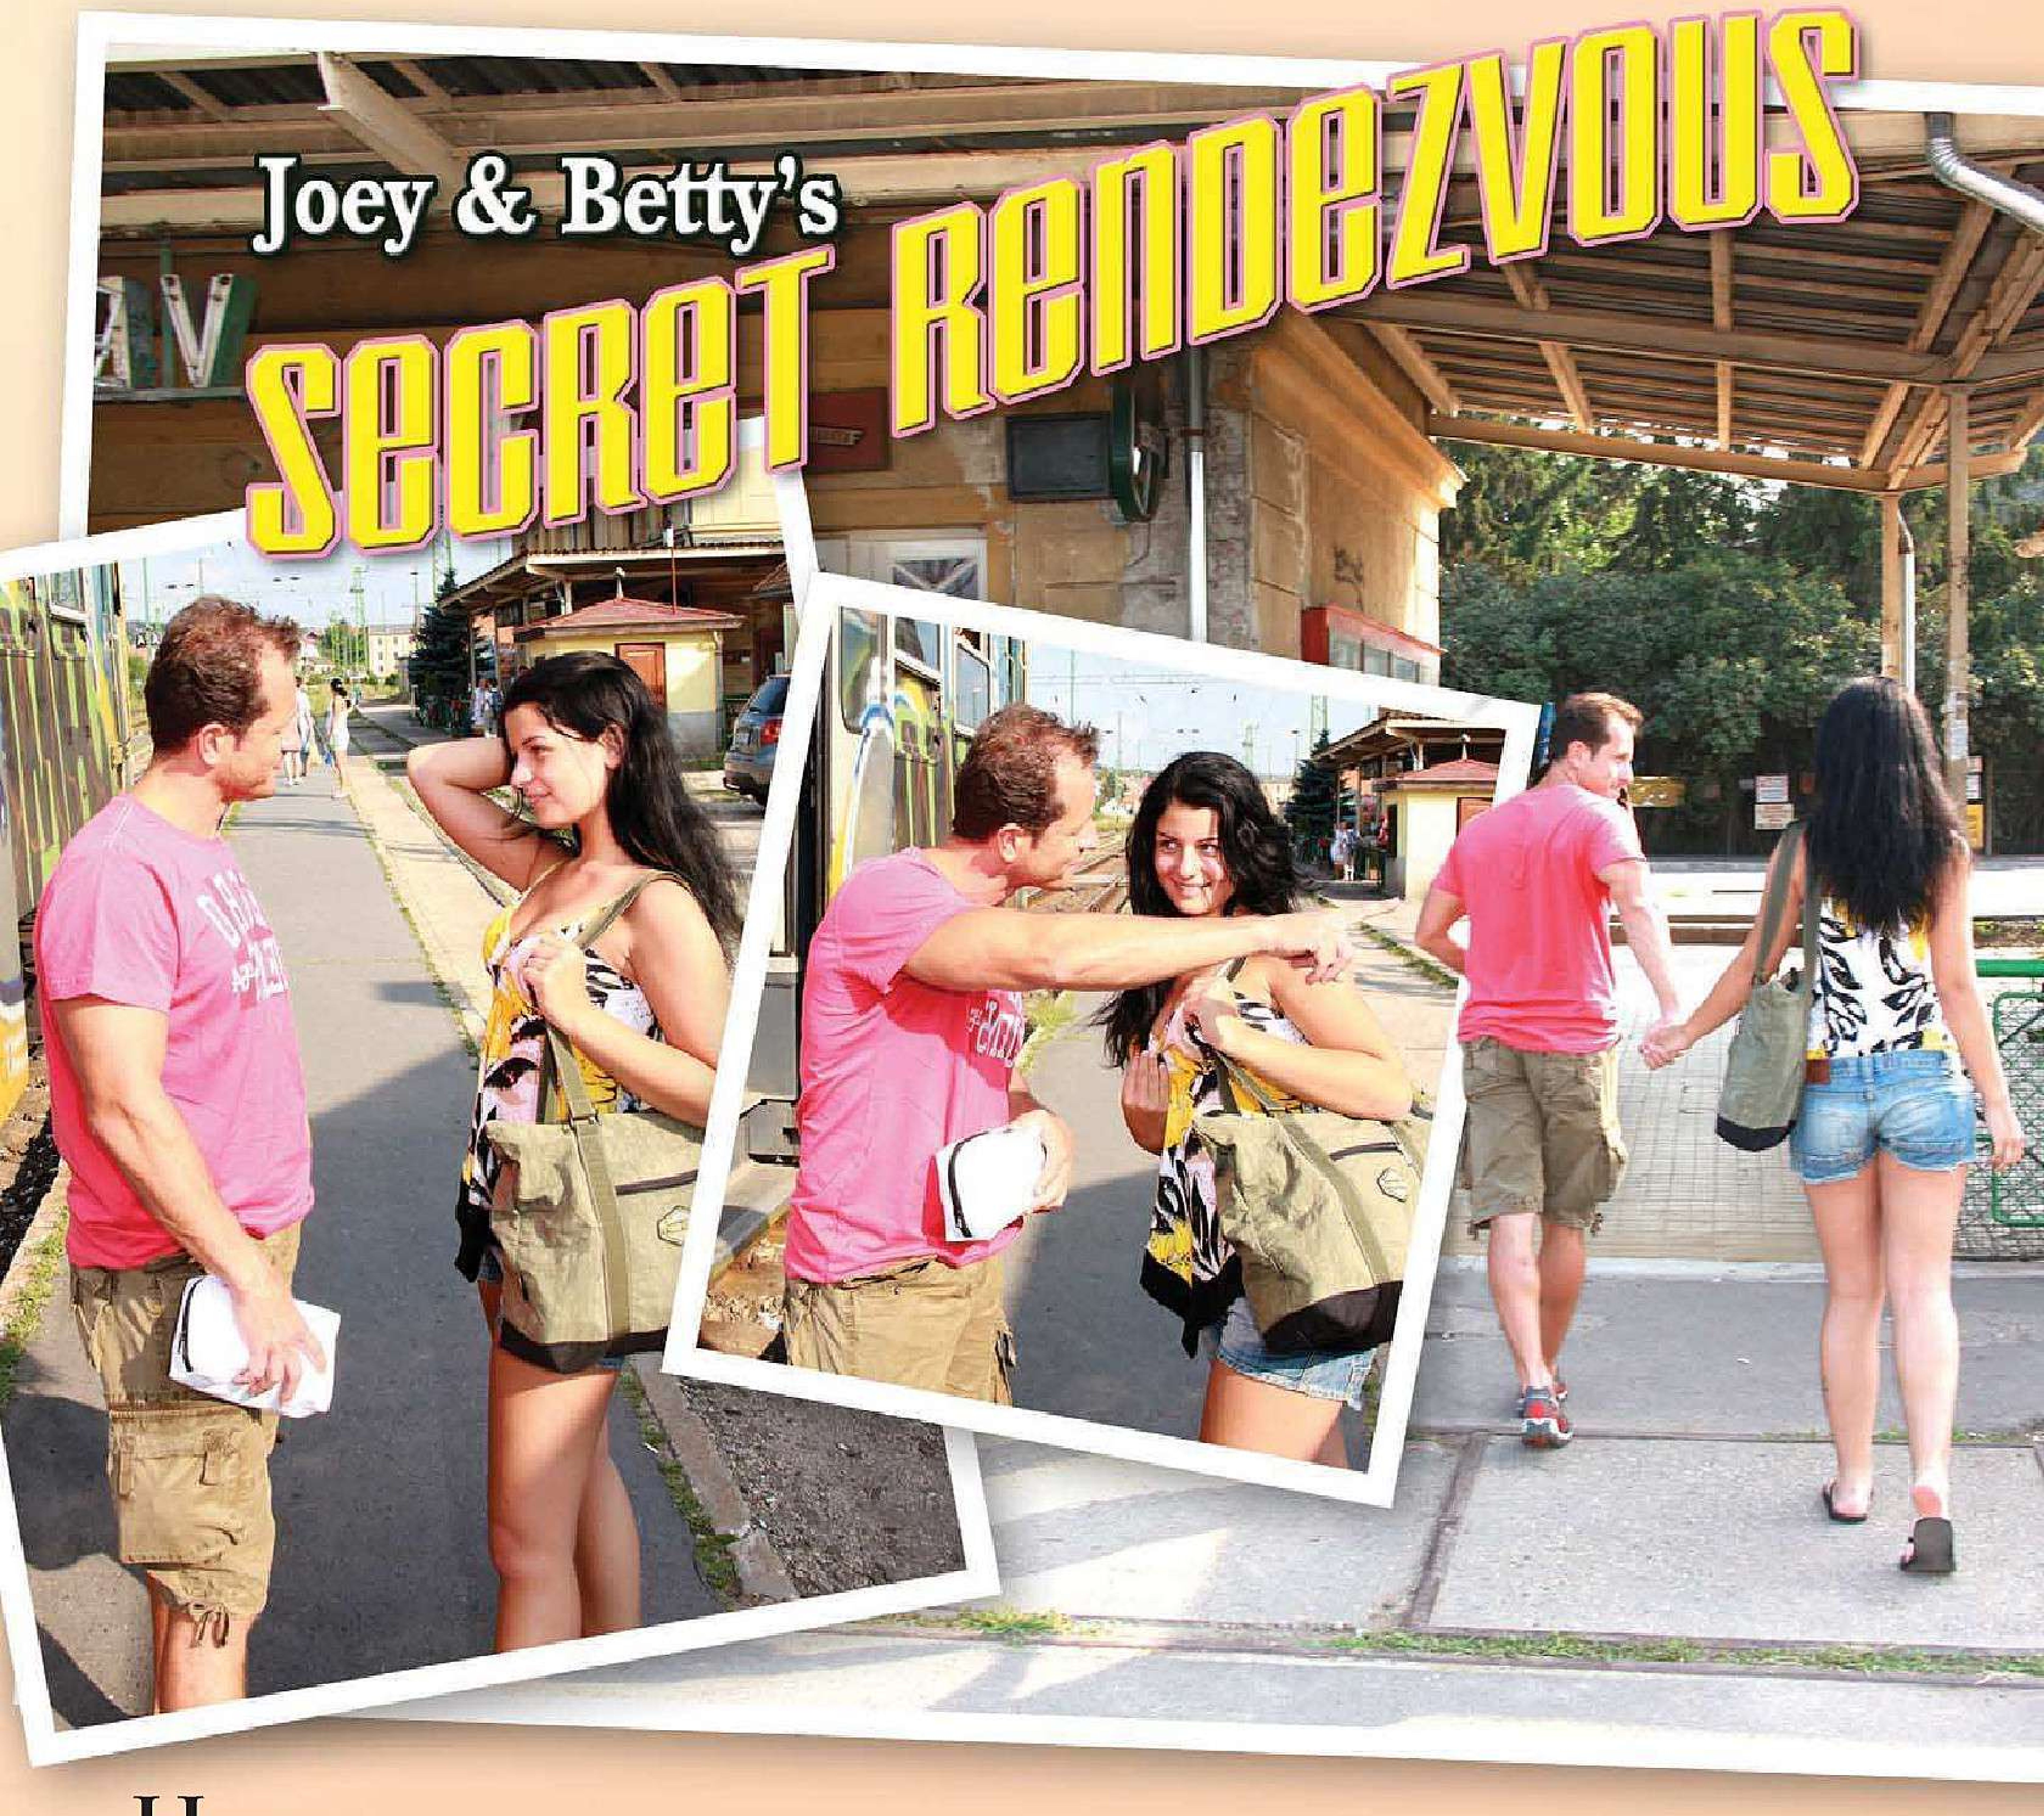
*In just a few minutes Joey would finally meet Betty at the train sgtation. They met at the hotel bar in town. She was married, visiting Europe alone for the first time. They seemed to have a lot in common. What they had in common was they both loved sex.*

# Joey & Betty's SECRET RENDEZVOUS



He was waiting at the train station. He looked around straining to find her. Where is she? She said she would be here! She wouldn't back down from this. Did she not leave her hotel? Was she talking to her husband back in the states? He looked around the tracks again. Was that her? It looks like her but they had met in a dark hotel bar and conversed by candlelight. Now it was bright sunny day and he couldn't be sure. He tried to remember their past conversation that she would be wearing a bright print top and cut off jeans. Betty was quite nervous as she walked up to him on the platform. On the train ride out, she played over their romantic evening. She played over what her husband would do if he ever found out. They had only been married for a year, but there was something about Joey. He was a smooth European. He said all the right things. He was ruggedly handsome, and he wanted her. She though about what she was going to do. Besides, who would ever find out.

They see each other. Just a little way away. But what to? "Bonjour." says Joey. "I'm so glad you decided to come out. Did you enjoy the ride from Paree?" he continues in his deep French accent. Betty's standing in front of him with a million thoughts running through her mind. "Oh yes, it was quite nice." she answers. "My house is just a hundred meters from here. Let's go now and enjoy the walk." He grabs her hand, but feels a little reluctant resistance. He looks over and smiles at her. Funny how a little smile can be very reassuring. She relaxes and they have a pleasant walk and make nice small talk. They pass several cute cottages until they arrive at Joey's house. It's surrounded by a woven fence. He unlocks the door and beckons her inside. The smell of freshly cut grass fills their space and she inhales enjoying the sweet aroma, and the expectation of what is to come. They pause just inside the door and Joey closes in to caress her. She does not back away. The attraction is instant. No time is lost.

Joey gently pulls her straps off her shoulders and her top slips off her chest revealing perfect breasts. Her youth is apparent, but there must be something naughty underlying her charms. He touches her nipples and they react instantly to his touch and became very, very hard. He lowers himself and pulls her shorts off to reveal pure white panties. These he quickly removes also. Betty feels his warm mouth and hot tongue lightly brush her mound. She had shaven last night in the hotel room. Her labia become very sensitive after a shaving and his tongue made her tingle. She pressed herself against him tightly. She could feel his rock-hard cock pressing against her. She reaches down inside his pants with one hand while undoing the button and zipper with the other. She grabs his rigid cock and pulls it free of the garment. "Mmmmm," she moaned, "This is quite nice. May I kiss it?" "Oui, Oui. Please do." says Joey. Betty kneels in front of him, his pants around his thighs. Her shorts are off and her blouse loose around her waist. She takes his cock in her mouth, first kissing the head and swirling her tongue around it before taking it in. To add to his pleasure, Betty moved her lips down his length until her nose was buried deep at the base of his cock. She dragged her lips back up to the tip, sucking hard as she did so. Joey felt like his cock was going to be sucked off his body.  She swirled her tongue around the engorged head, sucking it deep into her mouth and down her throat.

"That feels great," Joey moans. Betty thought it felt wonderful, too! That big piece of man-meat in her mouth. She was in control. She decided how pleasure was doled out. How much she would give and he receive. Betty was performing magic on his cock. He knew he wouldn't last very long at all. He managed to groan something to this effect, and looked down at her. Her eyes locked with his as her head bobbed back and forth a long his length, and, between strokes, she managed to say that it was okay and that she wanted to taste his cum. Joey continued to stare into her eyes as she moved her head expertly along his length. Joey began to feel the pressure build up in his loins, he knew he was about to cum, but then suddenly, Betty stopped her expert ministrations. He looked at her, confused. And then, with a little giggle, Betty took his balls into her mouth and began to suck them. She alternated between the two and then began to trace the bulging veins of his cock with her tongue. When she reached the tip she, again, sucked it into her mouth and sucked hard on it for a short while before retracing his veins back to the base of his cock. Joey watched in fascination as Betty again swallowed his whole length. When she pulled her lips back to his tip, she released her vacuum-seal and dragged her tongue down the underside of his cock. She went all the way down to his balls but didn't stop there and continued down to his asshole. Joey jerked slightly as he felt her tongue swirling around his puckered hole. "Mon dieu," he bellowed as she pushed her tongue into his hole. This has got to be pure heaven, he thought. After a few minutes of eating his ass, Betty returned her attention to his cock but continued to lightly play with his ass with her fingers. The other hand was gently massaging his balls. Betty worked him expertly, bringing him again to the brink of orgasm. Sensing this, Betty moved so that only the tip of his cock remained in her mouth and began to suck very hard. He could not contain himself any longer and shot his load deep down her throat. Betty savored each blast of his cum as it hit the back of her throat. "Mmmmm," she moaned in delight.

She stood and began to take off Joey's shirt and then pulled Joey to her chest. As he licked, kissed, sucked and fondled every inch of her breasts his lips found one of her erect nipples. He began by circling her areola with his tongue, making concentric circles, each drawing closer and closer to her distended nipple. When he finally reached it, he swirled his tongue around it and drew it into his mouth and sucked. Joey then took Betty's nipple between his teeth and, biting down gently, pulled on it. Betty shuddered at the sensation and moaned deeply. Joey moved to the other nipple and repeated the process. He then switched between biting and sucking on the nipples as he moved from one to the other. Finally Betty stopped him and took his still-hard cock in her hands and guided it into her  dripping cunt. She stood on tip-toe to accommodate it's entry. She felt the head enter and then more and more until it was all the way in. Joey pumped his cock inside her holding onto her breasts for better balance. She slowly pushed her steamy cunt up his shaft making sure it was in

*She had shaven last night in the hotel room. Her labia become very sensitive after a shaving and his tongue made her tingle. She pressed herself against him tightly. She could feel his rock-hard cock pressing against her.*

for the length of his cock. She fucked herself on his pole as she fit the whole thing into her pussy. She didn't let up until she had came twice, and, having done so, Betty pulled off him and pushed him to the ground and mounted him again. Not a word was spoken between them as Betty took hold of his manhood and lowered herself onto it. Joey watched, enraptured by the sight of his cock heading toward Betty's pussy. The first thing he felt was the heat from her pussy as Betty slowly lowered herself onto him. As he felt the soft, delicate folds of Betty's lips touch the tip of his cock, he threw his head back and moaned at the sensation. But he quickly brought his head back up and watched as his tip disappeared into Betty. The heat, the pressure, and the wetness of her pussy enveloped his rod. "Oh shit," escaped her lips in a barely heard whisper.

"I'm gonna fuck your brains out!" she bellowed as she began to drive her body up and down, impaling herself on his shaft. Joey reached up and grabbed her tits and began to maul them with his hands as Betty fucked herself silly on his cock. Joey grabbed her ass and dug his fingers into it, pulling her up and down his cock. Realizing she liked it rough, Joey took one hand off her ass and quickly raised it up and brought it back down onto her ass. Betty howled in pain and pleasure at the sensation of her stinging ass. Joey repeated this with the other cheek and was rewarded with another scream of ecstasy. Suddenly Joey felt that old familiar sensation in his balls, and he knew he was going to cum soon. But this time the sensation was multiplied many times over. It was incredible! "I'm gonna cum!" he bellowed. "No don't. Not yet." said Betty as she dismounted him and grabbed his cock as if to keep it from spurting. "I want you to fuck my ass first." When she was satisfied that he was no longer on the verge of climax. She again lowered herself onto his cock, only this time she placed its head directly over the puckering hole that was awaiting him. She didn't use any lubricant; she uses her juices that had flooded out over her ass and his cock. Betty slammed herself down on his cock and moaned in ecstasy. He almost came on the spot, but Betty would not allow that, she instead bent herself down and shoved her tits in his face. She didn't have to wait long before Joey began to slowly fuck himself in and out of her ass. Joey grabbed her hips and began pounding up into her as she plunged herself down. On the up-stoke, he pulled himself out until only the tip remained inside. The fucked each other furiously until neither could stand it anymore. Betty came first this way. Her pussy and rectal muscles expanding and contracting quickly milked Joey's cum out of his cock.

The next thing Joey knew, Betty was up and getting dressed. "Joey, I have to catch the next train back to Paris. My husband is arriving in a couple hours and I have to meet him at the airport." "But cherie," he whimpered, but she grabbed her big bag and headed out the door. She stopped at the opening and looked back at a still naked Joey laying on the grass with his spent cock.

"Joey this was fun, but it will be our little secret rendezvous. I'll think fondly of this day that I spent with you. I don't know if I'll ever see you again, but I'll think back to this and say to myself – 'We always had Paris.' Au revoir, Joey."

Oh Betty, ze pussy, it is so tight!

## WOMEN

### MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

### 30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

### LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

## MEN

### YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

### HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

### NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

### NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.
